

## Marin Aquatic Masters Code of Conduct

Marin Aquatic Masters, a USMS team, welcomes and fully supports team members with all levels of swimming background and ability. "Masters" refers to athletes ages 18 and over, not expert level swimming. Our coaches and volunteers recognize the dignity of each person and refrain from behaviors or words that are disrespectful of any one or any group.

It is a team priority to provide a rewarding experience to the entire swim community. Marin Aquatic Masters welcomes and fully supports team members of all sexual and gender identities, socioeconomic status, national origin, and religion. We offer our members, and potential members, a team practice environment which seeks to ensure the safety and inclusion of all members and any athletes and/or spectators who attend our team sponsored events.

By registering as members of Marin Aquatic Masters (MAQ), or registering as members or trial members of USMS and swimming with our team, team members and participants of team practices acknowledge and accept that the opportunity to participate in our team activities is a privilege and as such shall conduct themselves with integrity and in a manner consistent with our team mission and ideology. Therefore,

1. All team members shall respect and protect the privileges of others who share and participate in masters swimming team activities. Marin Aquatic Masters reserves the right to revoke the privileges of membership. Participation in team practices and/or events may be withdrawn or denied if the conduct of a member or prospective member is inconsistent with the mission and/or ideology of our team, U.S. Masters Swimming, or the best interest of the sport and those who participate in it.
2. All members are expected to maintain an environment of respect free from harassment and intimidation. They shall refrain from publicly judging, criticizing, or otherwise creating a hostile environment. Physically or verbally abusive behavior is unacceptable at the Miwok Aquatic Center where we practice, and at any Marin Aquatic Masters sponsored activity or event.
3. Members shall obey all team, facility, and government-imposed rules, and share the pool responsibly and courteously.
4. Members shall respect the decisions and judgment of the coaches. In the event of a dispute, the member will first speak with the coach in an effort to resolve the issue. If resolution cannot be reached, the member may submit a written grievance to the Marin Aquatic Masters Board of Directors.

Unsporting conduct, or other conduct inconsistent with Marin Aquatic Masters' Code of Conduct that will result in disciplinary action includes but is not limited to:

1. Any act of fraud, deception dishonesty, or knowingly providing false information
2. Any intentional nonconsensual physical contact, obscene language or gestures, or other threatening language or conduct directed toward other club members coaches, facility staff volunteers and any other person participating in any capacity whatsoever in the affairs and activities of Marin Aquatic Masters
3. Any nonconsensual sexual conduct, pattern of unwelcome sexual advances, or other inappropriate sexually oriented behavior or action by a team member toward another team member or any other person participating in any capacity whatsoever in the affairs or activities of Marin Aquatic Masters
4. Any form of harassment, hazing, or bullying including social media postings.
